

Columbus FAASTeam presents:

KCMH Runway Safety Action Team Meeting

This meeting is to unite those individuals and organizations that are actively involved in the air traffic operations and movement of aircraft, vehicles, and equipment on the Airport Operations Area (AOA). We look for participation from all major airport interests including tenants, fixed base operators, local pilots, airport operators and maintenance personnel. Participants are asked to help develop recommendations and solutions to enhance surface safety.

Your participation is important and your input is welcomed. Please RSVP to Rich Bingham at richard.bingham@faa.gov. Please include the name, organization, phone number and email address of those who will be attending.

Directions: The meeting is scheduled from 0830 LCL to 1200 LCL in the EOC (2nd floor conference room), main terminal building, Port Columbus International Airport.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
